SCUCC Goals and Involvement:

Jack and I joined the SCUCC in 1998 after hearing high praise and strong recommendations for the church family, Dr. Ran Niehoff, and Pastor Sandy Boler. I soon became active on the new Health Ministry Committee. After Bob Sheldon retired, I became Chair of the Committee a commitment which lasted for 6 years. It was my privilege and joy to help recruit and hire our first paid Parish Nurse. I fervently believe in the importance of continuing this vital position in our Church..

I became Vice Moderator in January 2008, after praying that previous summer for a new way to be of service to people within a spiritual setting. My prayers were more than answered!

As a member of the Pastoral Search Committee, my goal is to work with the congregation and clergy to develop a new vision of who we are, and to recruit a Senior Minister whose skills will lead us in a transformational direction. I join our other S.C. members in asking for your prayers and patience through the months ahead. I believe your role in manifesting God's grace to us cannot be underestimated!!
