SCUCC Goals and involvement:

Catrina and I joined SCUCC about 12 years ago after attending as Friends of the Church for 10 years. The church has been an important aspect of our life on Sanibel from a spiritual, intellectual as well as a social standpoint. During this time I have served a lengthy term as Membership chair overseeing the production two picture directories and as the Chair of the Endowment Committee. I also serve as head usher.

The selection of a new Senior Pastor is of crucial importance to guide our church in its spiritual and intellectual development over the next ten years. We are a special congregation with unusual demographics and need a pastor that can successfully minister to us to further our understanding and faith. This person should realize and encourage and work well with the wonderful lay leadership that constitutes our church
