**SCUCC Goals and Involvement:**

Eric and I joined SCUCC in 2003 looking for a church home for our family. Having school age children (Darby and John), it was important to me to be involved with the Children and Youth Committee. I am also enjoying the privilege of reporting to the SCUCC Council on behalf of the Children and Youth Committee. In a society where children encounter many challenges, I want our church to be a grounding force in the lives of young people and a place where children will continue to grow spiritually.

It is also a privilege to be involved in the Pastoral Search Committee. As we all journey through this process, I hope you will keep us in your prayers. I know that God has great things planned for our church and He will help guide us.
