SCUCC Involvement & Search Committee Goal:

George & I joined the church shortly after we moved here full time in July 2001. I got involved with the House Committee & SCWIM and coordinated Fellowship Hour for a year before becoming a Deacon in 2006. I scheduled the Liturgists for Worship Services for the past three years and organized Communion for the services this past year. I am currently in my 2<sup>nd</sup> term as a Deacon and look forward to this important time in our Church life.

I have committed to being an active member on the Team and think my organizational skills, honesty and commitment to listen to you will be a focus as we work through the process and discern who it is we call to lead our congregation into the future.

Education:

University of Florida, BS in Recreation

Background:

Non-profit Executive Experience with Girlø Club in Birmingham, AL and professional Girl Scouting in both New Orleans, LA and West Palm Beach, FL. I have been a resident Camp Director and am certified as an Instructor Trainer of Trainers. George and I were self employed for over 15 years and represented Interbake Foods as we marketed Girl Scout cookies and provided comprehensive service and training to Girl Scout Councils in the Northeast and Florida.
