SCUCC Goals and involvement:

Pat and I joined SCUCC over ten years ago looking to expand our spiritual experience. SCUCC has been a center for fellowship, education, worship and service. I have had the pleasure of learning the wonderful impact on our community through participation on our Mission and Benevolence committee. I have served as chair of the Pastoral Relations committee, vice moderator and currently moderator.

It is my goal to be a part of the process, with Gods help, that will guide the meeting and eventual calling of the optimal senior pastor for our congregation. It is also my goal to guide communications related to our senior pastor search committee progress in meaningful ways for our congregation.
